Fishing Report: Frank White - Banks Lake for the Frost Bite – 53 degrees in water, 67 degrees outside, 28 boats, winning weight was 24 or 26, paid big fish for both days, water was down about three feet, and the fish were between 20ft and shallow

Safety Report: no Safety report

Federation Report: The motion approved to change the point system, if you blank you get zero, max points limited to the number of individuals registered at the first tournament. Give away was approved. Motion put forward to make the tournaments two day qualifiers possibly as early as 2013 (next year Roosevelt, Washington, Riffe). They are looking to the local clubs to assist with things like the raffles.

\$500.00 for making the State Federation points winning. Head to head for the Club, three club tournaments, two or three clubs, also reduces the pressure on the bodies of water.

New Business: We did not get a member to the Federation Meetings and we are going to get hit with fines. The meeting are in March (Ellensburg), September (Ellensburg), and the weekend of the Banquet (November)
